Report

The Gender Sensitization Cell of Chaudhary Mahadeo Prasad Degree College, University of Allahabad in collaboration with the National Commission for Women, New Delhi is going to organize a One Day National Seminar on “Gender and Sexual Harassment “on 1 st March, 2020. Sexual Harassment at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and the subsequent Rules have been framed and put to operations on 9th December, 2013. However, the effective use of this legislation is possible only through awareness generation among the masses. The seminar is designed to impart knowledge on Gender and its nature and the emergence, description, usage and loopholes in Sexual Harassment Law after its emergence on Vishakha Guidelines. Sexual harassment is not only a common problem at the workplace but also one of the major barriers in the economic independence of women at various strata of the Indian Society. The incidences of sexual harassment are frequent in almost all types of professions and work places. Educational institutions have also been a place where such form of violence is common among all sections of people like, faculty members, students, office staff members and class IV employees of the institutions. Since the inception of Sexual Harassment Law in 2013, the law gradually became the important part of workplaces. Till date, many institutions are still lacking in proper execution of the Sexual Harassment Law.
