REPORT

Plastic pollution is a serious environmental hazard that threatens the integrity of many ecosystems as well as the health and prosperity of both humans and animals. So, in concern with this Department of Botany and Green Youth Brigade Club, C.M.P. Degree College, Prayagraj organized a Programme on the theme "Beat Plastic pollution" on June 05, 2018 on the occasion of world environment day. Dr. S. N. Srivastava, was the resource person of the programme and told to avoid plastic bags and bottles, yet it is considered as cheapest packaging source.

Dr. Deepak also told to use alternative packaging material like jute bags etc., stop buying water in plastic bottles, boycott microbeads etc.

More than 78 students participated in the programme.

INTERNATIONAL WEBINAR ON "COVID-19 AND THE ENVIRONMENT" ORGANIZED BY DEPARTMENT OF ZOOLOGY ON 5TH JUNE 2020

COVID-19 has affected the whole society and the economies of the world. People confined to their homes have to reinvent themselves in a new way of living. These views were expressed by Prof. R.R.Tewari, the Vice-Chancellor of University of Allahabad in the First International Webinar organized by CMP Degree College, speaking as a Chief Guest. He further said that this pandemic has affected the educational system the most but at the same time, we observed some positive effects on the environment and the climate.

In the beginning, Dr. Neerja Kapoor, Convener introduced the topic and the rationale for holding the Seminar on World Environment Day. She welcomed the Chief Guest, Chief Patron, Principal, panellists and the participants of the Webinar. The Principal dr. Brijesh Kumar hoped that the webinar will be a milestone in the history of the College. The Chief Patron, Ch. Jitendra Nath Singh Ji in his Presidential address briefly touched on the evolution and spread of this pandemic and how it has affected our life and the environment. He appreciated the efforts of Convener, zoology for taking the initiative.

The first panellist, Prof. M.M. Goel, former VC of Jagan Nath University, Jaipur said to achieve sustainable development. We have to enhance the quality of life and utilise the natural resources efficiently by keeping the environment clean. He stressed on public participation for environment protection. Mr. Vivek Kakkar from the USA explained in detail about the digital transformation taking place in the world, and how it is affecting the retail sector in the world. Prof. Ganesh Kawadia from Udaipur discussed the trade-off between economic development and the environment. He emphasized that the environment should be given priority over economic growth.

Ms Oksana Kachkan from UK highlighted the changing work culture from office to home and said that organisations are moving to this work culture in this technological changing era. Dr.Hi Garg from DRDO, New Delhi highlighted the clinical aspects and management studies to deal with COVID-19 pandemic. Ms Manvi Tandon from UK emphasized the role of technology in fighting COVID -19. The panellists from other places Dr. Bahram Ramesh from Afghanistan, Dr. Radha Chaube from Varanasi, Prof. B.B. Tiwari from Lucknow, Dr.S.P. Sati from Tehri Garhwal, Dr. Neeraj Kumar from Meerut and Dr. Sudhir Srivastava from Maharashtra threw light on various aspects related to biodiversity, environment protection, economic growth, climate change etc. and the challenges faced during COVID-19.

In the end, Dr. Neerja Kapoor, Convener of the Webinar proposed a hearty vote of thanks to the Chief Guest, Chief Patron, panellists and the participants. Dr. Vandana Mathur, Dr. Uma Rani Agarwal, Dr. Manoj Jaiswal and Dr.ashishKhare helped in conducting the event.

जलपर मानवकी भावनाओंका पड़ता है प्रभाव-प्रो. पांडेय

सीएमपी महाविद्यालयमें विश्व जल दिवसपर राष्ट्रीय सेमिनार

चौधरी महादेव प्रसाद महाविद्यालय (सीएमपी) के रसायनशास्त्र विभाग की ओर से विश्व जल दिवस के अवसर पर मंगलवार को 'राष्ट्रीय सेमिनार' का आयोजन किया गया। सेमिनार का आरंभ कालेज के प्राचार्य बृजेश कुमार एवं मुख्य बक्ता एसोसिएट प्रोफेसर अर्चना पांडेय ने दीप प्रज्वलित करके किया। प्रो. अर्चना पांडेय ने कहा कि जल पर मानवों का प्रभाव पड़ता है। एक प्रयोग द्वारा यह सिद्ध हुआ है कि रोना, हंसना एवं गुस्सा होना इत्यादि का प्रभाव जल पर पड़ता है। उन्होंने कहा कि पानी में भी जिंदगी है यह प्रयोगों द्वारा प्रमाणित है। अध्यक्षता

करते हुए डा. बबिता अग्रवाल ने कहा भ्रमर्ष जल का जितना दोहन हो रहा है उतना हम रिचार्ज नहीं कर पा रहे हैं। उन्होंने कहा कि आज आवश्यकता यह है कि हम वर्षाजल का संयोजन करने के साथ ही जल का प्रयोग करने में संयमित रहे। इससे पूर्व कालेज के प्राचार्य ने भी विचार व्यक्त किया। इस अवसर पर जल एवं पर्यावरण के क्षेत्र में उल्लेखनीय कार्य करने के लिए इलाहाबाद उच्च न्यायालय के अधिवक्ता विजय द्विवेदी, प्रयागराज फाउंडेशन के अध्यक्ष एवं भागपा के पूर्व प्रदेश प्रवक्ता शशांक शेखर पांडेय, जलयोद्धा आर्य शेखर, डा.

अर्चना पांडेय, डा. सुनंदा दास, डा. अनिल कुमार शुक्ल, डा. संजैता सिंह एवं डा. बबिता अग्रवाल को सम्मानित किया गया। इस अवसर पर जल संरक्षण को लेकर शपथ भी लिया गया। छात्र-छात्राओं के लिए निबंध, पोस्टर प्रेजेंटेशन एवं पेपर प्रेजेंटेशन प्रतियोगिता का भी आयोजन किया गया और उन्हें प्रमाणपत्र एवं पुरस्कार देकर सम्मानित किया गया। संबन्धित डा. प्रमोद शर्मा ने किया। इस अवसर पर डा. प्रवीण सिंह, डा. विशाल श्रीवास्तव, डा. प्रवीण त्रिपाठी, डा. मोनिका सिंह, दत्तात्रेय पांडेय, शशांक श्रीवास्तव, रीता सहित बड़ी संख्या में छात्र-छात्राएं उपस्थित रहे।

Report of Two days Science Academies Lecture Workshop organized by Department of Botany 16th -17th November 2022

A two-day workshop on climate change, organised at the department of Botany of CMP Degree College, began on Wednesday. Supported by the Science Academy, the topic of the workshop is 'Climate change, it's impact on environment and biodiversity'. On the first day, MNNIT director prof RS Verma discussed in detail the subject and objective of the workshop and introduced new dimensions and techniques. He said that ozone depletion, pollution and cutting of trees are the main causes of climate change. He added that we also need to question why this climate change is happening and how sustainable development can be done. The chief guest and speakers, scientist at Indian National Science Academy (INSA), Bengaluru, prof RR Rao discussed in detail the role of the three science academies of the country and informed that the main objective of this workshop is to project the image of science on the students. Students, college teachers, scientists need to take advantage of science education panel, summer in the first phase of the technical session, prof Rao presented a detailed lecture on our diversity and heritage. In his lecture, prof Rao discussed in detail the discovery of malaria medicine and rubber from cinchona and rubber plant and said that a plant can change the whole human civilization. He also discussed in detail the biodiversity of India, biodiversity at family, genus, and species level, hotspot of India, importance of biodiversity, mega biodiversity etc. In the second phase of the session, former faculty of AU's zoology department, prof UC Srivastava, FNAC, Allahabad gave a detailed discussion on the causes of climate change.

REPORT

Plantation play a very important role in cleaning the climate by absorbing carbon di oxide from the environment and releasing oxygen against increasing temperature of the earth. Instead of this plant also reduce soil erosion, cleans air, conserve energy etc. Beautification Committee, Green Campus Committee and Green Youth Brigade Club CMP. Degree College Prayagraj organized Plantation programme on the occasion of Van Amrit Mahotsav on 26 August, 2022.

The programme was held under the supervision of Dr. Archana Pandey more than 100 students participated in the programme.

Participant Lecture

Report of Seminar

Department of Chemistry organized Departmental Seminar on **23rd March, 2023** on the **“World Water Day”** Celebration under the aegis of DBT Star. The first lecture was delivered by Ms. Afreen Fatima (Research Scholar) on the topic **“Assessment of Water Footprint of Crops Producing Biofuel (Ethanol)”** she talked about Water Footprint, Types of Water Footprint, and also how it is beneficial for the people and the agriculture of country during water scarcity.

The second lecture was delivered by Mr. Arun Kumar (Research Scholar) on topic **“Physical and Chemical Properties of Water”** and he talked about different types of parameters of water like BOD, DO, COD, pH, Turbidity etc. and showed some lights on water crisis among the World and India. The third lecture was delivered by Ms. Shraddha Tivari (Research Scholar) on topic **“Photoredox Catalysed C-N Coupling of Amides with Alcohols”** she talked about.

The Green Synthetic process for the formation of N-monoalkylated product which is a useful building block and used for the synthesis of different kind of medicines. The fourth lecture was delivered by Mr. Rohit Kumar (Research Scholar) on topic “**Organic Synthesis and Application of Photoredox Catalysts**” he talked about Photoredox catalyst, how they work, transition metal complexes as a photocatalyst, and how they involve in a reaction.

All faculty members (Dr. Anil Kumar Shukla, Dr. Archana Pandey, Dr. Babita Agrawal, Dr. Arti Gupta, Dr. Deepa Srivastava, Dr. Santosh Kumar Srivastava, Dr. Himani Chaurasia, Dr. Akram Ali, Dr. Vishal Srivastava, Dr. Pramod Kumar etc.,) of Department of Chemistry, and research scholars along with advance learners of UG (B.Sc. I, II) and PG students attended the seminar. Lastly certificates are distributed to Mohd. Zaheer, Mr. Siddharth Agarwal, Ms Sakshi Singh and Ms. Shraddha Tevari for their outstanding performance in international Seminar.

REPORT

To secure the future of earth and coming generation we can invest on the planet through various activities like plant trees, reduce or reuse, recycle, save water, save electricity etc. On the occasion of World Earth Day April 22, 2023, Department of Botany, C.M.P. Degree College, Prayagraj organized an Awareness Programme on the theme "Invest in our Planet". Dr. Deepak Kumar Gond and Dr. Alok Kumar Singh, Department of Botany was the resource person of the programme and told that every citizen has partnership with the planet and it is very important for people to change their way of life to make the planet better.

More than 40 students participated in the programme.
