## Action Taken Report (ATR) on Feedback Analysis (2019-20)

In response to the feedback received from different stakeholders through the feedback survey conducted by the Internal Quality Assurance Cell for the session 2019-2020 and proposals given by IQAC, the college administration has taken the following measures:

Students Feedback 2019-2020		
Sr.No.	Suggestions Received	Action Taken
1	Need to be revise the curriculum regarding critical thinking	The University of Allahabad regularly revises the curriculum, which our institution is obligated to follow. Many faculty members from our college actively engage in the University's 'Board of Studies' meetings, where they propose revisions to the syllabus. These suggestions are aimed at meeting present needs and nurturing critical thinking among learners.
2	To focus more on the experiential learning	All departments are directed to integrate experiential learning sessions into their regular teaching and to arrange study tours and field visits. Additionally, most departments have already conducted study tours.
3	Need to be inclusion of e-resources in the curriculum along with physical references	All teachers were directed to include e-resources in their teaching along with regular physical references.
4	Improve the ICT learning methods and teaching aids	The majority of the faculty members are proficient with ICT equipment. Additionally, the Department of Computer Applications was instructed to organize an FDP (Faculty Development Programme) to further familiarize faculty members with ICT learning methods. Some faculty members have taken initiatives by creating their educational websites, educational YouTube channels, blogs, and model sites for students.
Teachers Feedback 2019-2020		
Sr.No.	Suggestions Received	Action Taken
1	Regarding reference books and journals	The library has acquired updated visual materials and additional books to support the professional development of teachers and staff, aiming to facilitate advanced studies for students and aid in their research work.
2	Concern regarding drinking water and washroom for maintaining proper hygiene.	A submersible pump and water purifier have been installed. The college is also undertaking measures such as servicing water coolers, maintaining washrooms, and addressing other requirements as necessary.
3	Need of new classrooms	A new building was constructed with three large lecture rooms along with washroom facilities.
